Presidents Report

Bill Edwards – President

2021 has been a year of consolidation for the HRBA committee after some major changes during 2020. We fortunately had less disruption with only two Covid-19 related shutdowns.

Key initiatives implemented

- Digitising our operations, HRBA is now paperless
- Modifying the Under 10 rules
- Consolidating the Aussie Hoops program
- The introduction of Saturday morning competition for Aussie Hoops and Under 10's
- Consolidating the financial and operational platforms of the association
- Consolidating the referee program
- Introducing both Registrar and Delegate Meetings for a cohesive relationship with clubs
- Expansion of the WABL pathway from 9 to 14 teams
- Significant rebuild of the constitution (still in progress)
- Rework of the bylaws
- Saturdays are secured indoors for, summer season enabling greater use of the Mundaring Arena
- A 'Women in Basketball' night for the advancement of female participation

Aussie Hoops

Significant contributors to our Aussie Hoops program were Jerrith Reynolds, Stevie Reynolds, Nick Reynolds, Jacquie Perry, Isaac Froby and most recently Veronica Burbidge and Sam Greenacre. Thank you to you all.

Executive and Management Committee

To our Executive and management committee, thank you for your professionalism and service to HRBA over the past year. Your passion, enthusiasm, and countless volunteer hours to meet the challenges and general workload is acknowledged and appreciated.

Finally, everything we do is underpinned by the face of HRBA Shannan Jones, thank you for all you do.

It has been a privilege to again the President of Hills Raiders Basketball Association over the past year and I look forward to the next chapter.

WABL REPORT

Norbert Yip – WABL Co-ordinator

First and foremost, I would like to take this opportunity to thank:

- All the volunteers that have invested countless number of hours developing and mentoring our performance pathway.
- Our training partners in Mundaring Christian College and Swan View Senior High School.
- The Shire of Mundaring as one of our main stakeholders, and,
- All the parents and families, who have spent the time supporting the players in competing at the next level.
- Our referees, they have been amazing in stepping up and supporting the WABL competition specially when all our teams have been at home at Mundaring Arena.

This year was exciting with the prospect of a first full WABL season post-COVID. A couple of lockdowns later along with a couple of washout games, everyone in the basketball community still had the same excitement and was happy that players could play. BWA and the State has shown their know-how in managing the competition in what is now the new climate with COVID19 still making an impact on the sports a year later.

WABL 2020

The WABL season last year was shortened due to COVID however BWA and the WA Government made it possible for the competition to go ahead. During that season, HRBA had an U14 Girls Division 2 and an U14 Boys Division 3 in the Grand Final. Our U14 Boys bringing home HRBA inaugural WABL Grand Final win topped off with our own Sam Ryan taking out Grand Final MVP.

A shout out to our own Emily Jones who was invited by BWA to participate in refereeing at the Finals weekend.

Grading Tournament

In 2021, Basketball was the most played sports in WA – more participation at all levels. With a rapidly expanding WABL competition, we were given the opportunity to host a grading day for the U12 Boys at Mundaring Arena on the 20 February 2021. It was a successful day that was highlighted with our U12 boys team earning a spot in the Championship division at the end of the grading tournament.

NBL1 Fundraiser

Following the devastating fires that decimated within our community earlier this year, HRBA with the partnership of Perth Redbacks and Willetton Tigers hosted an NBL1 pre-season game. The game was a fundraiser to give back to one of the organisations, Disaster Relief Australia, that supported our community during this difficult time. A \$2000 cheque was presented to the DRA at the conclusion of the evening.

Redbacks Classic

This year we were able to host a pre-season tournament once again as we did back in 2019. The Redbacks Classic was held at Mundaring Arena between our teams and the Perth Redbacks as part of our pre-season preparations. Perth Redbacks has been very supportive since we first obtained our WABL licence two years ago; and nothing different this year as we partnered up once again for a successful pre-season tournament.

WABL 2021

This year has been our biggest season yet with 14 teams entered in the competition. This year also saw our first two championship division teams – U12 Boys and U20 Men.

U12B	Championship	Charlie Smart	Genna Dilley	Sally Harris
U12B	4	Ryan Wherry	Wayne Maxwell	Sascha Maxwell

Team	Division	Coach	Assistant Coach	Team Manager
U14G	2	David Dyer	Laura Mees	Julie Seccull

U18B	2	Tracey Warwick		Rebecca Palumbo
U18G	2	Norbert Yip	Mark Thomas	Danni Sargent
U20M	Championship	Jay Warwick		Sharon Justice

This WABL season would not have been possible without the volunteers listed above – from mentoring to encouraging and everything in between. They were outstanding with our players. As our Association continue to support the sport, we will need to invest time in a succession plan identifying new coaches and training them up to coach at the next level.

50 Games Milestone

As a young association, we have been looking forward to our players reaching that milestone. This year, we have two players that have achieved that milestone: Laila Jenkins and Maddison Dymnicki from our U16G2. These two players have been with our Association since the beginning of our journey. Well done both of you! We look forward to many more 50 and 100 games milestones as we continue to grow as an Association.

WABL Subcommittee

Finally, the WABL Subcommittee has been the driving force behind the organisation of all the WABL Competition and events. A big thank you to Anja De Beer, Charlie Smart, Genna Dilley, Jay Warwick, Michelle Edwards, Monika Thomas, and Phil Croot.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements are special purpose financial statements prepared in order to satisfy the financial reporting requirements of the *Associations Incorporation Act 2015* (WA). The Committee has determined that the association is not a reporting entity.

Statement of Compliance

The financial report has been prepared in accordance with *Association Incorporation Act 2015* (WA), the basis of accounting specified by all Australian Accounting Standards and Interpretations, and the disclosure requirements of Accounting Standards AASB 101: *Presentation of Financial Statements*, AASB 107: *Cash Flow Statements*, AASB 108: *Accounting Policies, Changes in Accounting Estimates and Errors*, AASB 1031: *Materiality* and AASB 1054: *Australian Additional Disclosures*.

Basis of Preparation

The financial statements have been prepared on an accruals basis and are based on historic costs. They do not take into account changing money values or, except where stated specifically, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless stated otherwise, have been adopted in the preparation of these financial statements.

a. Income Tax

No provision for income tax has been made, as the company is exempt from payment of income tax under Division 50 of the *Income Tax Assessment Act 1997*.

b. Plant and Equipment

Plant and equipment are carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all plant and equipment is depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

Depreciation is recognised on a straight-line basis over the asset's useful life to the entity commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable assets are:

Class of Fixed Asset	Depreciation Rate
Plant and equipment	5 years

The asset's residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals of assets are determined as the difference between disposal proceeds and the carrying amount of assets and are recognised in profit or loss.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2021

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (cont'd)

c. Impairment of Assets

At the end of each reporting period, the Committee reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs of disposal and value in use, to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised in the profit or loss statement.

d. Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of six months or less.

e. Account Receivable and Other Receivables

Accounts receivable and other debtors include amounts receivable from host employers. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

f. Revenue and Other Income

Revenue is measured at the fair value of the consideration received or receivable or receivable. Revenue is recognised when the amount of revenue can be reliably measured and when the criteria for each activity have been made.

Interest revenue is recognised using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument on accrual basis.

All revenue is stated net of the amount of goods and service tax.

g. Accounts Payable and Other Payables

Accounts payable and other payables represent the liabilities outstanding at the end of the reporting period for goods and services received by the association during the reporting period that remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

h. Inventories

Inventories are measured at the lower of cost and net realisable value
