

TAKING IMAGES OF CHILDREN POLICY

Images of children must not be used inappropriately or illegally. Hills Raiders Basketball Association requires that individuals and clubs, wherever possible, obtain permission from a child's parent/guardian before taking an image of a child that is not their own. They should also make sure the parent/guardian understands how the image will be used.

To respect people's privacy, we do not allow camera phones, videos and cameras to be used inside changing areas, showers and toilets.

When using a photo of a child, Hills Raiders Basketball Association will not name or identify the child or publish personal information, such as residential address, email address or telephone number, without the consent of the parent/guardian. We will not provide information about a child's hobbies, interests, school or the like, as this can be used by paedophiles or other persons to "groom" a child.

We will only use images of children that are relevant to our sport and we will ensure that they are suitably clothed in a manner that promotes participation in the sport. We will seek permission from the parents/guardians of the children before using the images. We require our clubs to do likewise.
